HERE'S A QUESTION ON TITHING

Tithing is first mentioned in the Old Testament and represents a sacrificial gift of one's produce or income for the benefit of the worship of God by maintenance of the Temple and the priests caring for temple worship. It was usually around Ten percent. (see Genesis 14:17-20, 28:18-22; Amos 4:4, Deuteronomy 14:22-27, Leviticus 27:30-32).

Tithing represents a sacrifice, and sacrifice is one of the acts of the virtue of religion, the others being prayer, adoration and worship. All peoples in all times in all religions that acknowledge an infinite being have recognized the intrinsic need of sacrificial offerings to God. For Catholics, the Sacrifice of the Mass is the sacrifice par excellence!

A sacrifice offered to God awakens the soul and sharpens the spiritual powers of perception. Sacrifice is to prayer what a magnifying glass is to sunlight: it intensifies the power. Sacrifice is a proof of faith and trust in God, as well as a demonstration of love for God. Anyone who loves another is always willing to make a sacrifice for the other's good. It also helps us to get more out of Mass.

Not everyone is able to give 10 percent of their income to the Church or to charity; some can give more, others can give less. But it is necessary that everyone make a sacrificial offering on a regular basis, and a sacrificial offering is one that you can feel. Tithing is one way to fulfill the fifth precept of the Church: "You shall help to provide for the needs of the Church."

QUESTION OF THE WEEK

Reading 1: 2 Samuel 12:7-10, 13 (You Shall Not Die)

Reading II: Galatians 2:16, 19-21 (Christ Lives in Me)

Gospel: Luke 7:36-8:3 (The Repentant Woman)

Adults: Whom does your Christian faith call you to forgive right now? How hard will this be for you?

Youth: When have you connected the wrong dots and misinterpreted a person or interaction?

Child: When is it hard for you to forgive someone who has hurt you? What can help you forgive?
