

HOW TO MAKE PALM CROSSES

STEP 1: After making the top fold of the cross, start the first wrap around the center of the 20-inch frond.

STEP 2: Make the first wrap around the center of the cross.

STEP 3: Bring the frond around the center for a second wrap around.

STEP 4: After completing the second wrap around the center, repeat with a third fold.

STEP 5: Flip the cross over.

STEP 6: Fold part of the frond over to create the right arm of the cross.

STEP 7: Repeat the process on the other side to create the left arm of the cross.

STEP 8: Holding the frond in place with the left thumb, loop it through the center of the cross.

STEP 9: Repeat the looping process through the center one more time, trim off all excess and the cross is completed.
