**JUSTICE & PEACE:** Canadian mining companies are at the forefront of the global mining industry especially in Africa, Latin America and the Philippines. Canadians are being called “The New Conquistadors.” In an October 2005 report our government states it expects and encourages Canadian companies investing abroad to conduct their activities in a socially responsible manner. However our government does not adequately regulate the companies’ actions to nor does it hold them accountable.

**THE PILLARS TRUST FUND:** When we reach out to others in Christ, our good...works. The Pillars Trust Fund provides financial support for organizations and projects that benefit and affect all of the members of our English-speaking Catholic Community. Pillars is fortunate to have a great legacy of donors who have been supporting us consistently since the Pillars was founded over 34 year ago. Our ability to maintain support for the community organizations is dependent on the continued revitalization of our donor group. Reach out to Pillars with your financial gift so that Pillars Beneficiaries will reach out to others on your behalf.

**ADVENT MISSION WITH FR. EUGENE “RED” O’REILLY:** Jesus revealed to his followers the secrets of God’s Kingdom. In a mission he does the same for you. He reveals that His kingdom is here and now and that it spells happiness and fullness of life for those who share in it. Happiness often seems to elude us. We would like to change our lives, become “new people”, more alive. The mission offers us this possibility. Can you make this Mission? Decide today to put off anything that may interfere. You deserve this rich new life God offers you.
