It truly is a wonderful gesture and something that is very much appreciated. As many of you know, my wife Mary Carroll passed away four years ago from ALS and sadly, there are also others in the parish who have this awful, debilitating disease.*

*Raising awareness of ALS is something that is very important to me personally. I realize that there are many causes asking for your hard earned money, so I would like to thank you for donating to this important cause.*

*God Bless you and thank you very much for your generosity.*
