

Three Great Kings **(Action Rhyme)**

Original Author Unknown

**Three great kings
on a cold winter's night
Found the baby Jesus
guided by the light
The first king
said, "We've come so far"
The second king
said, "We followed the star"
The third king
said, "Great gifts we bring"
And together
they said, "Great praises we sing"
Then they knelt
and they prayed
and they bowed their heads
As they worshipped baby Jesus in His manger bed.**
