

Registration 2020-2021

Dear Families,

It has certainly been a long time since we last saw each other and so much has changed. I hope you and your families are well.

The look of school has certainly changed, extra curricular activities have changed, and Faith First is no exception. At this time, we do not have a PCL but we do have many people, staff and volunteers working together to make sure your child's religious formation continues. As we continue to pray for you, our precious families, please keep us in your prayers as well.

We are currently working on book preparation for the 2020-2021 calendar year. Each child will receive a book or duotang as usual ,according to their level ,to start the year and which will be ready for pick up September 26th and 27th. Please watch for an email next week about how book pick up will look. Our plan is to have the year proceed virtually starting in January. Along with other parishes and the Diocese, we are working on virtual presentations and activities to be done at home. This is not the look our program has had in the past but the safety of everyone concerned is our priority.

There is still time to register. Please go to our parish website under Faith First registration to register.

We thank you for your continued faith in our program and for your patience and understanding . Please know we are here for you and are just an email away.

We are looking forward to seeing you at book pickup.

Thank you, stay safe, God Bless

Your Faith First team
