

LET THERE BE LIGHT DONOR RECOGNITION

In 2023, a fundraising campaign was launched to replace the lighting in the Church. This campaign, **Let There Be Light**, was a tremendous success, with many parishioners stepping forward and generously contributing. Thank you again to all who donated.

To recognize the contributions of those who made this project possible, a plaque will be created and displayed at the entrance into the church. Donors who made a contribution of \$600 or more will have their name (or that of a loved one) featured on this plaque.

Please take a moment to review the list below to ensure that all names are correct. Please report any errors or omissions to Cindy Finn at cindyannfinn@gmail.com so that changes can be made.
