

Code of Ethical Conduct for all Parishioners and Visitors

The Archdiocese of Montreal forms an organization committed to acting in the best interests of all community members, including minors and vulnerable adults.

For the overall well-being of our Catholic Church, we ask all parishioners and visitors to be considerate of fellow parishioners, visitors, volunteers, and staff.

All are expected to act with respect, courtesy, openness, and integrity, based on the Gospel values.

Please be advised that any behaviors, gestures, or language that may be intimidating, harassing, violent, or sexual will not be tolerated.
