---

*Working towards building a safe environment for our children, vulnerable adults, employees and volunteers*

Dear Fellow Parishioners

Here at St. Thomas a Becket Parish we have been working hard to create a safe environment for all our parishioners, especially our children and vulnerable adults.

For this reason, we are asking that effective immediately

1. All minor children requiring to use the restroom should be accompanied by a parent.
2. Please refrain from using the restroom if occupied by a minor child. If urgently necessary, there are three private restrooms available: Two outside of the parish office and one just off the parish hall.

Your cooperation in this matter is greatly appreciated.

Working together, we can continue to keep St. Thomas a Becket safe for all our parishioners.
