**THANK YOU FROM NICHOLAS:** I want to thank each and every one of you who prayed for me during my recent stay in the hospital. It was very kind of you to take the time to pray for my family and me. My mom and sister really appreciated your prayers also, because it helped them get through the rough times. My grandparents needed all of your support and you were all there for them and I thank you all very much. There are no words to express my thanks and there is no way that I could ever thank each and every one of you personally. **THANK YOU FROM THE BOTTOM OF MY HEART. Nicholas**
