TODAY IS DIVINE MERCY SUNDAY This special day of devotion is based upon an entry in St. Faustina's diary stating that anyone who participates in the Mass and receives the sacraments of confession and Eucharist on this day is assured by Jesus of full remission of sins.

According to the notebooks of Saint Faustina, Jesus made the following statements about this day: "On that day the very depths of My tender mercy are open. I pour out a whole ocean of graces upon those souls who approach the fount of My mercy. The soul that will go to Confession and receive Holy Communion shall obtain complete forgiveness of sins and punishment. On that day all the divine floodgates through which grace flow are opened. Let no soul fear to draw near to Me, even though its sins be as scarlet. My mercy is so great that no mind, be it of man or of angel, will be able to fathom it throughout all eternity." (Diary of Saint Faustina, 699)

The devotion was celebrated unofficially in many places for some years. On April 30, 2000 Pope John Paul II canonized St. Faustina and designated the Sunday after Easter as the Sunday of the Divine Mercy. He also decreed a plenary indulgence associated with this devotion.
