**FIVE THINGS YOU CAN DO TO PROMOTE VOCATIONS TO THE PRIESTHOOD**

**1. PRAY**

Make a commitment to pray each day for this intention. Recite *A Prayer for Our Priests* (prayer cards available at the back of the church). Perhaps have in mind specific people who you think show signs of a vocation. Pray also for priests and seminarians that you know.

**2. WEEKDAY MASS**

Attend Mass with this intention especially in mind. The Mass strengthens the faith of a community and creates an environment where vocations are likely to grow.

**3. PERSONAL CONTACT**

If you know someone you think would make a good priest tell him so and encourage him to think seriously about a vocation. You could be just the prompt that he needs!

**4. SERVICE**

In the Gospels, Jesus directs each one of us to a life of service. Serve your own parish in some way. Your work will contribute to building up an active parish. When young people see the service given to others they may be inspired to serve also.

**5. YOUNG PEOPLE**

Support the families and young people of your parish by showing an interest in them. Encourage young people to take an active part in the parish as readers, servers, collectors, catechists etc and show them that you value their contribution. Serving the Church in some way may lead them to consider a vocation later on.
