QUESTION FOR THE WEEK: What opportunities does the new Missal offer the Church? Implementing the new Missal will give the Church an opportunity to take a fresh look at its liturgical practice and to renew its celebration of the Sacred Liturgy, which is the “source and summit” of Christian life (Second Vatican Council, Dogmatic Constitution on the Church [Lumen Gentium], no. 11). The faithful, encountering the Liturgy anew in the new text, can deepen their sharing in Christ’s sacrifice, offering their lives to the Father as they worship “in Spirit and truth” (Jn 4:23).

DEVELOPMENT AND PEACE – LENT 2011

Today, thousands of people are voting for the first time.

Today, thousands of women produce enough food to feed their families.

Today, thousands of children are living in peace, free from war and conflict.

Today, Development and Peace and its partners in the global south are building a world of Justice.

Today, in the parish hall, a special collection will be taken up for developing countries. We are all encouraged to share our goods with others and thus express in a concrete way our desire to come closer to God and all God's children as a result of our Lenten efforts. Our offering should reflect the money saved through penitential fasting set aside for God's people. God bless!
