**MAY IS THE MONTH** when Catholics traditionally focus on Mary, the Mother of Jesus. The practice dates back at least 700 years and is still observed around the world today. May is seen as the beginning of new life and the start of summer, which makes this a logical time for the celebrations of Mary, who brought life into the world. This month of devotions in the church calendar is characterised by special hymns and the use of flowers, which bring nature into the church. There are several Marian feast days in May, including Our Lady of Fatima, Our Lady of the

Most Blessed Sacrament and Visitation of the Blessed Virgin Mary ó also our diocesan feast day!

Come join us for this annual civil rights march and public witness for the right to life. We march to ensure that all human beings, regardless of size, age or location

(inside the womb or out), will someday be protected by the laws of the nation. Organized by Campaign Life Coalition. Coach Bus available 514-344-2686.
