CANADA HEALTH DAY MAY 12: Canada Health Day is celebrated in the health care facilities and community services across the country. All Christians should celebrate and pray for the gift of health ó physical, emotional, social and spiritual. This Day reminds us that health and healing are essential aspects of our baptismal vocation. We are called to take responsibility for our personal health: to prevent illness and to seek a healthy life-style. Health means concern for the health of our communities, respect for God's creatures and the nurturing of the whole earth.
