**“HEIRS OF THE WORD OF GOD...let us quench the thirst of our brothers and sisters.”** Today, the Gospel praises marriage, couples and families. Families are more and more committed to live the mission of Christ. The family is a divine concept. She holds a unique place in God's project for the human being. Today, we would like to give special thanks to all the families whom, in order to serve the missionary Church, had to leave their country for a while and become witnesses of the Good News. Through their family life, they bear witness of their faith in Jesus Christ, the Servant by excellence.
