CORPUS CHRISTI SOLEMN MASS AND PROCESSION

June 4, 2026, 7:30pm – Mary Queen of the World Cathedral

St. Thomas à Becket parishioners are invited to join in the Corpus Christi Mass and procession on Thursday, June 4th. Archbishop Lépine will celebrate Mass at Mary Queen of the World Cathedral, followed by a candlelight procession to St. Patrick's Basilica.

A chartered bus will leave from the St. Thomas à Becket parking lot at 6:30pm sharp and will return at about 10:30pm. The cost is \$10. Please contact Bernie at 438-518-8795 or bratneiya@yahoo.com to reserve your spot and join with Catholics of Montreal as we publicly celebrate this important Feast Day.

PROCLAMATION OF THE FEAST OF CORPUS CHRISTI

On the 11 August 1264, Pope Urban IV published the Bull "*Transiturus de hoc mundo*", in which, after having extolled the love of Our Saviour as expressed in the Holy Eucharist, he ordered the annual celebration of the Solemnity of Corpus Christi, in the universal Church. The bull also granted many indulgences to the faithful for the attendance at Mass and at the Office. To celebrate the feast, St. Thomas Aquinas wrote the very beautiful liturgy celebrated on the Solemnity.

DISCERNMENT IN THE USE OF AI

Ignatian Spirituality.com contributor Gretchen Crowder writes, “When I create something from nothing, I feel like I am using the unique gifts God has given me to serve the world. I love technology. It’s just that it took me so long to find my voice, I don’t want to lose it now.”

Pope Leo XIV offers some advice in his [Message for the 60th World Day of Social Communications](#). He says: “Embracing the opportunities offered by digital technology and artificial intelligence with courage, determination and discernment does not mean turning a blind eye to critical issues, complexities and risks.” He suggests three pillars to help guide our use: responsibility, cooperation, and education. Am I **responsibly** using this tool for the betterment of myself and others? Am I practicing **cooperation** in my discernment process when it comes to AI? Am I open to finding new ways to **educate** myself and others about the opportunities, challenges, and ethics of AI? Can I help others discern what sources are reliable and trustworthy, as well as how and when to use this tool?

Pope Leo XIV’s first **Encyclical Letter [Magnifica Humanitas](#)** (*Magnificent Humanity*) provides moral guidance on safeguarding human dignity in the era of artificial intelligence:

“We must lovingly safeguard the grandeur of humanity bestowed upon us and revealed in its fullness in Christ, the splendor of which no machine can ever replace. (15)

ST. ANTHONY OF PADUA - FEAST DAY JUNE 13

The Unfailing Prayer to St. Anthony

O Holy St. Anthony gentlest of Saints, your love for God and charity for His creatures made you worthy, when on earth, to possess miraculous powers. Encouraged by this thought, I implore you to obtain for me (*request*).

O gentle and loving St. Anthony, whose heart was ever full of human sympathy, whisper my petition into the ears of the sweet Infant Jesus, who loved to be folded in your arms. The gratitude of my heart will ever be yours. Amen.
